

# CB90

## Concentrated neutral detergent

eco  
products

### HOW IT WORKS

- Low-foaming and degreasing detergent.
- It can be used diluted for routine and frequent cleaning or pure as a strong cleaning product. When diluted, no rinsing is required.

### WHERE TO USE

It is used on stones, marbles, granites, terrazzo, cement based materials, cotto tiles and every surface washable.

### WHY TO CHOOSE IT

1. Has non-aggressive degreasing action
2. Pleasantly scented with lavender
3. Does not leave streaks or dulling

**CONSUMPTION:** as required

**DILUTION:** for ordinary and frequent cleaning dilute to 5%; for extraordinary cleaning use pure or max 1: 5 in water.
